The NEA Fund and LEA-PAC: The National Education Association Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. The Lincoln Education Association Political Action Committee (LEA-PAC) supports recommended local, pro-public education candidates and political activities. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund and LEA-PAC. Contributions to the NEA Fund and LEA-PAC are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund requests an annual contribution of \$15.00 and LEA-PAC requests an annual contribution of \$12.00, these are only suggestions. Contributions to the NEA Fund and LEA-PAC are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of the employer for each individual whose NEA Fund contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits the NEA Fund from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith. State law requires us to use our best efforts to collect and report the name and mailing address for each individual whose LEA-PAC contributions aggregate in excess of \$250 in a calendar year.

LEAF: To support members of the Lincoln Education Association through the distribution of scholarships to current members and future teachers, as well as provide certificated professional grants and grants for philanthropic support to members in catastrophic need. HOB: Donations to the Harvest of Books go directly toward the purchasing of books for the first and second graders of the Lincoln Public, Private and Parochial Schools. The Harvest of Books is a 501(c)(3) entity and donations may be considered as a charitable donation for purposes of income taxes.

LEA Advocacy Fund: The LEA Advocacy fund collects voluntary contributions from Association members and uses these contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of ballot issues that support public education or to oppose ballot issues harmful to public education. Contributions to the LEA Advocacy Fund are not deductible as charitable contributions for federal income tax purposes but may be deductible as a miscellaneous itemized deduction. Please consult with your financial advisor.

NEA Children’s Fund: The NSEA Children’s Fund provides money to assist students in need. Supported through donations from individuals and corporations, NSEA members across Nebraska can tap the Children’s Fund to buy glasses, coats, mittens, and other necessities for students in need. There is no red tape to cut through. One simple toll free phone call from a member to the NSEA is usually all that is needed to secure help for needy students. Call 475-7611 (1-800-742-0047). The NSEA Children’s Fund is a 501(c)(3) charitable fund and all contributions to the fund are tax deductible.
