

## Education Support Professionals: Why Join NSEA?

**There is strength in numbers!  
Together, we can make good things happen.**

- Secure better pay, benefits, and working conditions
- Gain Professional Development and leadership training
- Have strong, effective representation in job-related disputes
- Be insured with life, health, disability, and casualty insurance programs
- Receive on-the-job liability insurance of up to \$1 million
- Get credit, loan, savings, investment, and discount services
- Speak out for our concerns at the school board and the Legislature

***With 28,000 members, the Nebraska State Education Association is the largest employee organization in the state. This numerical strength translates into advocacy and service – for improved pay and working conditions, rights on the job, improved education for the students we serve, and great deals on products and services our members need.***

***“NSEA has long recognized the critical role of support professionals in helping to educate our children. Without education support professionals, the doors wouldn’t open, the bells wouldn’t ring, the heat wouldn’t work, the lights wouldn’t shine and the phones wouldn’t be answered. From bus drivers, to classroom aides, to the people who feed our children, ESPs keep schools clean and safe and our children healthy and happy.”***

***– NSEA President Jenni Benson***

**REMEMBER, NSEA MEMBERSHIP
